## Letter from Administrator

**Father's Day is June 16th.** Today's lifestyle is busy for both dads and kids. So, a little time with Dad on Father's Day is just what he wants.

**Did you know??** The first Father's Day celebration was in Spokane, Washington on May 18th, 1910.

## Spring Fling

Montello Care Center recently had a "Spring Fling". It was full of smiles, laughs, food, fun, games, and live entertainment from the one and only Geezer.

Montello Care Center hosted the first SPRING FLING party. It was a success.

CNA Corryne S. and resident Rita B. having a great time!

Rita B. was having a little too much fun dancing with the wonderful Nurse Mike S.

Resident Blanche B. had a blast polka dancing with Nurse Mike S.

Resident Joann N. did a little target practice on Director of Nursing Ken M. at the Spring Fling. Also pictured is Ariya (daughter of CNA Corryne S.)

## June 6th: D-Day - WWII

On this historic day in 1944, Allied troops invaded the beaches of Normandy, France. It is the largest amphibious assault in world history. 156,000 troops from the U.S., Great Britain and Canada stormed five beaches. American troops landed on Omaha and Utah beaches. At the same time, British troops landed on Gold and Sword beach and, Canadian forces landed on Juno beach. 4,000 Allied troops died on the beaches on D-Day. 2,000 of them were American. Please take a moment of silence, and thank the many soldiers who fought and died for our country on D-Day.

## Working to Better Serve

Every 6 months, our administrator, some of our team members and staff from other WISH facilities meet for a 3-day continuing education conference where we learn new ideas, address upcoming changes in long term care, share experiences, and discover new ways to serve residents and patients with the very best care. This spring, our conference took us to Boise. Several long term care guest speakers participated and we also heard from members of our recently formed SNF Task Force which was formed to help provide leadership, support and training for new CNAs at WISH communities and nursing homes.

If you're interested in becoming a CNA – great timing! A free CNA class is happening July 15th-Aug 2 at Wild Rose Manor in Wild Rose. Call today to register: **920.622.4342**.

## Medicaid: Why We Fundraise

Every year, hundreds of patients and residents rely on Montello Care Center to meet their medical and social needs. As a non-profit organization, we accept residents who have Medicaid insurance although the reimbursement is insufficient. The state of Wisconsin reimburses us **\$31.89** less per day, per resident than what it costs us to care for them, resulting in a **\$11,640 loss per resident** each year.

**28**

Number of current residents who rely on Medicaid for care

**192**

Cost in dollars per day, per resident, for quality care at our community

**160**

Dollars Medicaid reimburses us for care per day, per resident

We provide quality care to our Medicaid residents at a total loss of:

LOSS PER DAY

**\$893**

LOSS PER MONTH

**\$27,160**

LOSS PER YEAR

**\$325,916**

**Facts**

**16**

The number of nursing homes that have closed in Wisconsin in the last year.

70% of people turning 65 this year will need long term care of some kind.

They will spend an average of 3 years in care.

**\$1,701,430**

Amount we contribute annually to the economy by employing 79 of your friends & neighbors.

## Continue Your Rehab Therapy at Home

Transitions At Home continues treatment & rehab therapy at home when you leave Montello Care Center. We can even help you arrange home health *before* discharge so you know what to expect. When you need medical care at home, Transitions At Home delivers quality care with RNs and home health aides.
